

Annual compliance information 2023-24

CEO certification statement

Council name:

I certify that I have reviewed the Annual Compliance Information and understand that it will be used by the Essential Services Commission to assess compliance with the rate cap.

I confirm that the required information has been provided, including:

compliance template

rating system reports or equivalent

completed better practice: property rate database checklist

I confirm that this data represents fairly the financial position of our council for the period specified.

I confirm that this is public data, and that I have no objection to the Essential Services Commission using and publishing this data for the purposes of the Fair Go Rates system.

Signed

Name of Chief Executive officer

Date

Below are links to other documents which should be included, together with this certification, in your council's annual compliance submission:

- [Annual compliance information template 2023-24](#)
- [Better practice property & rates database checklist](#)
