

Inquiry into Port of Melbourne compliance with the pricing order 2021

Submission received through Engage Victoria

From 10 June 2021, we began accepting submissions to our inquiry into Port of Melbourne's compliance with the pricing order 2021 via Engage Victoria (www.engage.vic.gov.au). On this website, interested parties were given the opportunity to answer our consultation questions on Port of Melbourne's compliance with the pricing over the five years from 1 July 2016 to 30 June 2021. Only consultation questions with a response are included.

1. Do you think Port of Melbourne has complied with the pricing regulations over the last five years?

Yes

2. Has Port of Melbourne charged you prices in accordance with its reference tariff schedule since July 2016?

Yes

3. Do you think Port of Melbourne has made prudent and efficient investments in its port infrastructure over the last five years?

Yes

New infrastructure investment seemed appropriate- Maintenance of existing infrastructure has however room for improvement.

4. Did Port of Melbourne consult with you in the development of its prices and/or services between July 2016 and June 2021?

Yes

5. Did you understand the purpose of Port of Melbourne's consultation with you?

Yes

6. Were you given adequate opportunities to give feedback to Port of Melbourne on the matters being discussed with you?

Yes

7. Did you understand how your feedback was considered by Port of Melbourne?

Yes

8. Did Port of Melbourne have regard to your feedback in the ways you expected them to?

Yes
