My view is, about the fare, increase or decrease, I think Victoria is same other states in Australia.

We need to reduce Victoria's Taxi Licenses,

Same other states in Australia, because we need rooms.

Large numbers of people coming other states in Australia then applying taxi Licenses.

We need to stay the fare same previously, because the ( Gas ) value very high last few year in melb, we lost big money to gas or patrol companies.

Pls we request you to support us, anyway anywhere anytime to stop too many taxi Licenses, no enough jobs, rooms, melb capacity.
