Essential Services Commission  
Water Price Review  
Level 2, 35 Spring St  
MELBOURNE 3000

Dear Sir,

## METROPLITAN MELBOURNE WATER PRICE REVIEW 2008/09

I write in support of Moreland Council's submission to the Essential Services Commission Water Price Review regarding the inequity in the annual residential bills.

I too am concerned with the price discrepancies and would like to see a pricing structure where all three water retailers charge the same amount for the same service.

I would be interested to hear your views.

Yours sincerely,

A handwritten signature in cursive script that reads "Christine Campbell".
