Re: **Draft Determination for South Gippsland Water Plan 2013 - 2018**
South Gippsland Shire Council

I have read the submission by South Gippsland Shire (dated 22 April 2013) and as residents of Nyora we are of the opinion that this sewerage treatment plant and the connection of residents in the Loch, Nyora and Poowong townships **MUST** go ahead. For too long now we have been told that this will be going ahead and now it's time for it to happen.

I urge you to consider the health of the residents of these townships and get this project started **SOONER** rather than later.

Chris & Kerry SPENCER
